Mr. Skeete
United Nations
New York, New York

Dear Mr. Skeete:

Thank you very much for the information you sent which, although properly addressed, took three weeks to reach me thirty miles from Washington!

I am writing to ask also for any UN information available on the Southeast Asia situation, past and present, and for a copy of the Charter. Is a copy of the 1954 Geneva Agreement available through the United Nations?

If you maintain a mailing list, I should like to be added to it for information on Latin America and Southeast Asia.

Sincerely yours,

Harold Weisberg
